

Welcome to the best broadband in Sweden

Great news! Your housing association has signed a broadband agreement with Bahnhof. Soon, you and all other residents in the association will be surfing at 1 Gbit/s via Bahnhof's super-fast and stable network.

If you have problems getting started, you are welcome to call our customer service on 010-510 00 00.

Get started with your broadband!

1. Connect a router or computer to the broadband socket with a network cable.
If you are using a router, the cable should be in the Internet/WAN socket.
2. Open a browser and you will be taken to our activation page*.
Select your address and flat number.
3. If the internet does not work after 15 minutes, or your flat number does not appear, contact our customer service.

Done – now you have Sweden's best broadband!

* If the activation page does not appear automatically in your browser, enter the following address: dhcp.bahnhof.net

Smart solutions for the whole household!

Order at [Bahnhof.se](https://www.bahnhof.se) or call us on 010-510 00 00

Wireless router, 1 095 kr

Zyxel EX3600-T0

Surf faster than ever with our latest WiFi 6 router!
With mesh support and Gigabit Ethernet.

Fixed telephony, 0 kr/month

With Bahnhof fixed telephony, you only pay for your calls. You use your regular home phone as usual and can of course keep your current phone number.

Anti-virus and ID Protection, 69 kr/month

Comprehensive protection with anti-virus and ID protection for up to 3 devices.

- ✓ Antivirus & ID protection across the web 24/7
- ✓ Password manager
- ✓ Surf protection & parental control

Integrity VPN, 29 kr/month

Hide your IP address and encrypt all traffic. You get an anonymous Swedish IP number and a fast, private tunnel to the internet.

- ✓ Surf anonymously
- ✓ Up to 10 devices (computer, mobile phone, tablet)
- ✓ No commitment period
